

## Range of Products

### Blower / Centrifugal Fans

- Single Inlet forward Curved Impeller
- Double Inlet forward Curved Impeller
- Single Inlet backward Curved Impeller
- Conventional Motor Blowers
- Heavy duty Centrifugal Blowers upto 12.5 HP
- Double Blower Single & Double Inlet

### Axial Fans

- Press Fit Impeller
- Rivetted Impeller
- With round casing
- With square casing
- With basket grill
- With Straight grill
- For Motor cooling units
- Exhaust Fans

### Special purpose Fans

- In-Line Duct Fans
- Tube-axial Fans
- For Inflatables

### Motors

- Induction Motors
- Pump Motors

## Fan Applications

- Refrigeration & Air Conditioning
- Dust Extraction Equipments
- Roof Extractors
- Thyristor Cooling
- Fume Extractor
- Condenser Cooling
- Duct Booster
- Welding Fume Removal
- Kitchen Exhaust
- Humidity & Moisture Control
- Welding Transformers & Rectifiers
- Electronic Equipments
- Control Panels
- Deep Freezers
- Water Coolers
- Elevator Cabins
- Variable Frequency Drive Motors
- Forced Ventilation
- Smoke Extraction
- Power Transformer Cooling

## Blower Applications

- Plastic Extrusion
- Clean Air Equipment
- Freezer Air Circulation
- Air to Air Heat Exchanger or Heat Extractors
- Forced Cooling
- Gas Burners
- Reprographic Printing
- Xenon Lamps
- Air Purifying
- Clean Air Cabinets
- Welding Bench
- Data Processing Machines
- Central Ventilating Appliances
- Inflatables
- Clean Room Industries
- Pharmaceutical Industries
